

Stanford Memorial Grove Inventory, as of 01/20/2016.

70 Trees originally were planted at 72 sites (sites had multiple names/programs).

All school sites and trees need to be visited, confirmed, and updated (as of 11/21/2018). The list below is divided into High Schools, Middle, Schools, Elementary Schools, and then other sites. Sites with no trees planted will be at the end of this list. All sections are alphabetical. Each section is laid out in lines in the order of the schools' name, the tree common name, tree latin name, it's location where it was planted, and was it found, as of January 20th, 2016:
